1/21/2021-1/21/2021

DISTRICT COVID-19 UPDATES

The Barren River District Health Department is currently administering COVID-19 vaccine for individuals in Phase 1A and 1B. Our agency will have the capacity to add to our current waiting lists on Monday, January 25th with the understanding the waiting lists will contain more names than available vaccines. At this time, the waiting lists are only for individuals 70 years of age and older. We have been informed by the Kentucky Department for Public Health that we will not receive any primer doses (first doses) for at least three-four weeks. Starting with the earliest registrant, we will work our way down the lists to schedule appointments based on available vaccine. To add your name to the waiting list, please visit <http://redcap.link/brdhdvaccine>. You can also find this link on our homepage at www.barrenriverhealth.org. If you do not have internet access and do not have someone to assist you with the online process, please call the Barren River District Health Department at 270-781-8039 and press option 1.

For more information on about COVID-19 visit www.barrenriverhealth.org/covid-19-information, or <https://govstatus.egov.com/kycovid19>.

To report non-compliance, call Kentucky's Non-Compliance Reporting Hotline at 1-833-597-2337, report online at <https://secure.kentucky.gov/formservices/Labor/KYSAFER>.
